Parking Guidelines for the Swim and Tennis Club during summer of 2016:

Parking is allowed ONLY in Lots A & B near Park School's Main Building (171 Goddard Avenue). Members should park in the marked spaces provided there, then WALK to the pool/tennis court area via the service road (unpaved) or following the signs through the soccer fields. Handicapped persons may be dropped off near the pool area, following which the driver should park his/her vehicle in the main lots (A & B).

There will be **NO** parking in the After School Building lot or in the courtyard of Faulkner House (the stone house next to the pool), which is reserved for residents of Faulkner House only. Parking is not allowed along any roadside area; all cars must be parked in designated or marked spaces. These are fire lanes and must be clear (for fire apparatus) in case of an emergency.

These parking restrictions will be strictly enforced. Repeated parking violations are grounds for loss of Swim and Tennis Club membership without a refund. We greatly appreciate your cooperation in this matter.
